NOT RESPONSIBLE FOR ACCIDENTS

The Southeastern Alberta Purebred Beef Breeders' Association will act as agents only, and is responsible to the seller only for the proceeds of the sale when received.

The Southeastern Alberta Purebred Beef Breeders' Association shall not be responsible for any accidents of any nature to any person, animals or property.

The Auctioneer will announce any changes in the catalogue and his word will have precedence over the catalogue.

FEED, WATER, ETC.

Sellers will be required to furnish all hay and grain required and care for stock up to and including evening of last day of sale. Stock held for shipment will be cared for at a reasonable charge. Water will be provided.

Feed and necessary attendants for stock shipped out must be supplied by the purchaser.

INSPECTION OF ANIMALS FOR SALE

The Southeastern Alberta Purebred Beef Breeders' Association governing this sale, or inspector appointed by them shall have the right to cause any or all animals entered for sale to be inspected upon arrival at the sale grounds, and remove any such animals as the Association or their inspector shall consider as having a physical defect, or, as not being representative of the breed, or is of inferior quality.

The entry fee paid by the entrants to the Southeastern Alberta Purebred Beef Breeders' Association with the respect to any animal removed or rejected as aforesaid shall belong to and remain the sole property of the Southeastern Alberta Purebred Beef Breeders' Association.

ORDER OF SALE

It is understood that each entrant by the act of entering and exhibiting, waives all claims against the Southeastern Alberta Purebred Beef Breeders' Association and/or any of the members, officers, directors and representatives, for any or all injury, loss or damage, which he or any of his employees, assistants or agents, and/or property of any nature whatever may sustain in any way out of the operation or activities of the Southeastern Alberta Purebred Beef Breeders' Association by reason of any claims made by the entrant, or of his helpers or employees, administration or assigns.

Further, that any helpers or assistants who may be engaged by an entrant through the Southeastern Alberta Purebred Beef Breeders' Association, their agents or representatives, shall accept such employment at the sole risk and responsibility of such entrant.

The management of the sale will be under the control of the Southeastern Alberta Purebred Beef Breeders' Association.

In case of illness, a Veterinarian will be called by the sale committee if deemed necessary, but any expense involved will be the responsibility of the CONSIGNOR until the animal is sold and the PURCHASER thereafter.

Should any purchaser fail to settle for his purchase, the Southeastern Alberta Purebred Beef Breeders' Association reserves the right to re-sell the animals as it sees fit and collect from the defaulter any expenses or loss incurred.

The Secretary will have the power to issue receipt in full for all payments of stock, and will deduct all proper charges and remit balance to seller as soon as possible after the sale, provided certificate and transfer are in order.

All cattle must be halter broken and suitable halter provided.

All cattle must be nose-ringed.

Anyone entering the premises enters at their own risk.

Animals entered in the sale are at the risk of the entrant against loss or injury by accident, fire or any other cause whatsoever, and must be on the Exhibition Grounds by 4 p.m., Monday, March 12, 2012.

BY-BIDDING

There shall be no by-bidding by the owner of an animal or by anyone authorized by him. Statutory declaration may be required from any buyer or seller to the effect that any sale or purchase is bonafide, and that there has been no by-bidding in connection therewith. Any owner guilty of by-bidding or anyone doing it for him, will be excluded from participation in future sales for a term to be decided by the Executive Committee, but he will be permitted one protective bid on any animal.

PRIVATE SALES NOT PERMITTED

EVERY ANIMAL CONSIGNED TO THE SALE MUST BE SOLD BY AUCTION. NO PRIVATE SALES WILL BE ALLOWED.

DISPUTES

If any dispute arises between any two bidders, it shall be settled by the animals being put up and resold. The decision of the auctioneer shall be final in all such cases.

OWNERSHIP

Immediately after each purchase is declared, THE RISK OF THE ANIMAL SHALL BE EXCLUSIVELY WITH THE PURCHASER, and it is declared that until settlement shall be made, the delivery of the animal shall be suspended. In some instances arrangements may be made between the buyer and seller, where the seller will agree to maintain the bull in preparation for delivery. In such a case neither the seller nor the Association agree to undertake any liability in respect to these animals. The sole risk shall remain with the purchaser.

SETTLEMENT

Should any purchaser fail to settle for his purchase, the Association reserves the full power to re-sell the animal, in cooperation with the seller to the best advantage, either publicly or privately, with out further information, and any loss arising from such resale, together with all other expences, will be collected from the defaulter.

BREEDING GUARANTEED AT THE DISCRETION OF SELLER

It is believed that in selling cattle under breeding age the purchaser is more responsible for their future usefulness than the seller and that he should be willing to relieve the breeder of all responsibility after they pass into his ownership, but every possible precaution will be taken to eliminate animals with any known defects. The entire offering will be sold at the halter and no further guarantee of any kind will be given them unless individual consignors wish to do so for their particular cattle by so stating when their animals are in the ring. All bulls consigned to sale are semen tested.

If a member enters an animal for sale for breeding purposes, that they has reason to believe is a non-breeder, they shall be expelled from the Association.

RULE: The Committee of the Southeastern Alberta Purebred Beef Breeders' governing this sale, or an agent or inspector appointed by them, shall have the right to cause any or all bulls entered for sale to be inspected upon arrival at the Sale Grounds, and remove any such bulls as the Committee or the inspector shall consider as having a physical defect, or is of inferior quality, or, as not being representative of the breed, or any like cause immediately from the Sale Grounds.

The entry fee paid by the entrant to the Southeastern Alberta Purebred Beef Breeders' Association with respect to any such animal removed or rejected as aforesaid, shall belong to and remain the sole property of the Southeastern Alberta Purebred Beef Breeders' Association.

The entrant hereby appoints and constitutes the Committee of the Southeastern Alberta Purebred Beef Breeders his agent for purposes aforesaid, with the full power and authority to sub-delegate the authority and power.

TRANSPORTATION

SAPBBA Contributors will be responsible for trucking costs for purchasers buying 5 or more bulls with the delivery point being within 200 miles from Medicine Hat. ***Please advise office before sale if you will need this service!***

WHAT IT TAKES

YOUR HEADQUARTERS FOR HINDQUARTERS

Coming to town with 6 awesome herd bulls that will fit into any program. Three performance bulls from our Networth son Dare 2 Dream. Sixteen sons averaged \$3850.00 at our Amigo sale last fall. This bull comes out of our embryo program and has well exceeded our expectations.

Also three sons from our new heifer bull New Elixer 18W, the high selling bull from South Shadow in 2010. Elixer has a 74lbs BW and a 121 yearling index himself, and his calves averaged 76lbs BW on 45 heifers last spring. This bull was selected to breed to our Atlas daughters with our goal being to raise consistent low birth weight and high growth cattle for our customers.

Please stop in for a visit and take a look at these impressive herd sires. All bulls are fully guaranteed.

**Please Consider
These Bulls When
Evaluating Your Bull
Buying Needs**

Reid Angus Advantage 11 U continues to impress as his first daughters enter production. They are fertile, calve easily, are great mothers with beautiful udders. In 2011, 1/3 of our replacement heifers were 11 U daughters – All are bred & will calve within a 45 day period, that's fertility!! Two of the heifers in our Grand Champion Pen of Heifers at the Medicine Hat Pen Show were 11 U daughters & one of those heifers was Reserve Heifer Calf Champion at the Olds Fall Classic. The previous year, one of 11 U's first daughters, Reid Angus Georgina 13 X was Heifer Calf Champion at the Olds Fall Classic. He builds great females "Females Are Our Foundation". Last year 11 U's first crop of bull calves, were in high demand and averaged \$4,700 - I wish we had more. 11 U has a shorter gestation period & therefore lighter B.W. You can use his sons on first calf heifers with confidence. He is a genuine calving ease sire.

B C Matrix is the most "balanced trait" bull in the Angus industry today. He has tremendous yearling growth, maternal capability, and carcass balance. He is a direct son of O C C Emblazon 854 E, one of the great maternal trait sires of the Angus breed. He will add more depth of rib and "middle" to his offspring. His calves are easy fleshing without sacrificing performance. He is the complete package.

A two year old that will catch your eye! This is a very thick, correct, and long bodied bull! This comes from Belvin angus's "Upshal", which was purchased at the Calgary Bull sale. This bull promotes loads of appeal and structure, but at the same time isn't extreme. We sold 5 half brothers to "Upshal" and had nothing but positive feedback!

Now here is a real quartering bull! 43y has been a favorite since he was born! A complete out cross from our breeding on the dam side, and lined up with one of our very own bulls on the top! He had an outstanding weight of 945lbs in the fall from a first calf heifer! No doubt this is a bull that will raise thick, heavy steers, and since, correct females to build a herd out!

This cowboy grade bull is how we see 1Y! Very correct structure, long bodied, loads of top, and thick rumped. What more do you want? It is an easy to look at bull! The comes from the very reputable Alliance, and from one of my own girls Enchantment! The very first bull we ever sold at the "Rat" bull sale was a brother to Enchantment, sold to the Short Cross Ranch!

Bulls are custom bred and guaranteed to work for your cows on a calf or step by the farm to see the bulls and females! A huge thanks to all the buyers and buyers in the past!

MN Herefords is a family run operation located 20 minutes north-east of Calgary in the beautiful Yankee Valley between Airdrie and Irricana. Great Grandpa settled in the Valley in the early 1900's. We are on our 5th generation of Nixdorffs' on this same land. We have been raising purebred homed Herefords for three generations and hope to continue for many more to come. The ranch runs approximately 200 registered females annually. Our goal on the farm is to raise husky; good haired, homed Herefords with great feet and udders that bring in big calves in the fall. The pedigree on these cattle are straight Canadian, going way back to old bloodlines, crossed and bred up to perform to the standards of todays cattlemen.

Offering Four 38T Sons

Standard 68L Dom Lad 38T is the sire of our Medicine Hat string. He sires moderate birth weight calves that keep getting better as they age. We calved out his first daughters in 2011 and they were the highest producing 2 year old heifers we had. He combines muscle and maternal traits.
