## **NOT RESPONSIBLE FOR ACCIDENTS**

The Southeastern Alberta Purebred Beef Breeders' Association will act as agents only, and is responsible to the seller only for the proceeds of the sale when received.

The Southeastern Alberta Purebred Beef Breeders' Association shall not be responsible for any accidents of any nature to any person, animals or property.

The Auctioneer will announce any changes in the catalogue and his word will have precedence over the catalogue.

## **FEED, WATER, ETC.**

Sellers will be required to furnish all hay and grain required and care for stock up to and including evening of last day of sale. Stock held for shipment will be cared for at a reasonable charge. Water will be provided.

Feed and necessary attendants for stock shipped out must be supplied by the purchaser.

## **INSPECTION OF ANIMALS FOR SALE**

The Southeastern Alberta Purebred Beef Breeders' Association governing this sale, or inspector appointed by them shall have the right to cause any or all animals entered for sale to be inspected upon arrival at the sale grounds, and remove any such animals as the Association or their inspector shall consider as having a physical defect, or, as not being representative of the breed, or is of inferior quality.

The entry fee paid by the entrants to the Southeastern Alberta Purebred Beef Breeders' Association with the respect to any animal removed or rejected as aforesaid shall belong to and remain the sole property of the Southeastern Alberta Purebred Beef Breeders' Association.

## **ORDER OF SALE**

It is understood that each entrant by the act of entering and exhibiting, waives all claims against the Southeastern Alberta Purebred Beef Breeders' Association and/or any of the members, officers, directors and representatives, for any or all injury, loss or damage, which he or any of his employees, assistants or agents, and/or property of any nature whatever may sustain in any way out of the operation or activities of the Southeastern Alberta Purebred Beef Breeders' Association by reason of any claims made by the entrant, or of his helpers or employees, administration or assigns.

Further, that any helpers or assistants who may be engaged by an entrant through the Southeastern Alberta Purebred Beef Breeders' Association, their agents or representatives, shall accept such employment at the sole risk and responsibility of such entrant.

The management of the sale will be under the control of the Southeastern Alberta Purebred Beef Breeders' Association.

In case of illness, a Veterinarian will be called by the sale committee if deemed necessary, but any expense involved will be the responsibility of the CONSIGNOR until the animal is sold and the PURCHASER thereafter.

Should any purchaser fail to settle for his purchase, the Southeastern Alberta Purebred Beef Breeders' Association reserves the right to re-sell the animals as it sees fit and collect from the defaulter any expenses or loss incurred.

The Secretary will have the power to issue receipt in full for all payments of stock, and will deduct all proper charges and remit balance to seller as soon as possible after the sale, provided certificate and transfer are in order.

All cattle must be halter broken and suitable halter provided.

All cattle must be nose-ringed.

Anyone entering the premises enters at their own risk.

Animals entered in the sale are at the risk of the entrant against loss or injury by accident, fire or any other cause whatsoever, and must be on the Exhibition Grounds by 4 p.m., Monday, March 17, 2014.

## **BY-BIDDING**

There shall be no by-bidding by the owner of an animal or by anyone authorized by him. Statutory declaration may be required from any buyer or seller to the effect that any sale or purchase is bonafide, and that there has been no by-bidding in connection therewith. Any owner guilty of by-bidding or anyone doing it for him, will be excluded from participation in future sales for a term to be decided by the Executive Committee, but he will be permitted one protective bid on any animal.

## **PRIVATE SALES NOT PERMITTED**

EVERY ANIMAL CONSIGNED TO THE SALE MUST BE SOLD BY AUCTION. NO PRIVATE SALES WILL BE ALLOWED.

## **DISPUTES**

If any dispute arises between any two bidders, it shall be settled by the animals being put up and resold. The decision of the auctioneer shall be final in all such cases.

## **OWNERSHIP**

Immediately after each purchase is declared, THE RISK OF THE ANIMAL SHALL BE EXCLUSIVELY WITH THE PURCHASER, and it is declared that until settlement shall be made, the delivery of the animal shall be suspended. In some instances arrangements may be made between the buyer and seller, where the seller will agree to maintain the bull in preparation for delivery. In such a case neither the seller nor the Association agree to undertake any liability in respect to these animals. The sole risk shall remain with the purchaser.

## **SETTLEMENT**

Should any purchaser fail to settle for his purchase, the Association reserves the full power to re-sell the animal, in cooperation with the seller to the best advantage, either publicly or privately, with out further information, and any loss arising from such resale, together with all other expenses, will be collected from the defaulter.

## **BREEDING GUARANTEED AT THE DISCRETION OF SELLER**

It is believed that in selling cattle under breeding age the purchaser is more responsible for their future usefulness than the seller and that he should be willing to relieve the breeder of all responsibility after they pass into his ownership, but every possible precaution will be taken to eliminate animals with any known defects. The entire offering will be sold at the halter and no further guarantee of any kind will be given them unless individual consignors wish to do so for their particular cattle by so stating when their animals are in the ring. All bulls consigned to sale are semen tested.

If a member enters an animal for sale for breeding purposes, that they has reason to believe is a non-breeder, they shall be expelled from the Association.

**RULE:** The Committee of the Southeastern Alberta Purebred Beef Breeders' governing this sale, or an agent or inspector appointed by them, shall have the right to cause any or all bulls entered for sale to be inspected upon arrival at the Sale Grounds, and remove any such bulls as the Committee or the inspector shall consider as having a physical defect, or is of inferior quality, or, as not being representative of the breed, or any like cause immediately from the Sale Grounds.

The entry fee paid by the entrant to the Southeastern Alberta Purebred Beef Breeders' Association with respect to any such animal removed or rejected as aforesaid, shall belong to and remain the sole property of the Southeastern Alberta Purebred Beef Breeders' Association.

The entrant hereby appoints and constitutes the Committee of the Southeastern Alberta Purebred Beef Breeders his agent for purposes aforesaid, with the full power and authority to sub-delegate the authority and power.

## **TRANSPORTATION**

SAPBBA Contributors will pay up to \$40 per bull towards trucking costs for purchasers buying 5 or more bulls. ***Please advise office before sale if you will need this service!***

## **DYNO MR. RAINMAKER 8Z**

This bull has good hair and is moderate framed and is out of a dam from last year's high selling bull. His dam is from the BAR E-L breeding program and goes back to SAV Legacy bull. ## **DYNAMITE MR GOOD FLEX 11Z**

## Offering 5 Angus Yearling Bulls

HE 103A

**HE 103A** Here is a top prospect out of the legendary Tiger and out of the same cow as my Xtra Performance Herdsire. She is also the dam of the 2012 Grand Champion in this very sale that sold to Cavan Ranch! This cow might be the beefiest cow of her time.

**ACT BW - 84 lbs ACT WW - 840 lbs**

HE 52A

**HE 52A** Take a look here, this guy is as long as a freight train. If I was needing a bull for myself this was the bull I'd be keeping. He is from a flush of my best producing cow and the cow maker bull Density. This cows first calf was Reserve Champion Angus bull at the Calgary Bull Sale. Sons at Stubers, Masers and Murrays.

**ACT BW - 88 lbs ACT WW - 935 lbs**

HE 60A

**HE 60A** A real meat machine here. Out of my Xtra Performance sire that has produced deep soggy easy doing calves that have been really well received by the commercial cattleman. The dam of this calf always brings home a good one.

**ACT BW - 83 lbs ACT WW - 790 lbs**

**HE 77A** If you want to add a little jam to your cows check this guy out. Big long bull out of a big long cow. Cow has sons working at Tenzer Management and Stehr Bros. **BW - 95 lbs ACT WW - 860 lbs**

**HE 107A** The youngest bull in the sale, March 16th! This guy will just turn a year at the sale time but he will be right there with the older bulls. The mother had my high seller two years ago to Ryan Lehr.

# J BAR B

**J Bar B 27Y APOLLO 3A** - Here is a different pedigree on top side. 27Y is out of what we believe is the best cow in the Hinterage herd. 3A dam was champion female in Edmonton 2012. The granddam 14N was the very best cow to ever live at J Bar B. 49S has a wonderful udder, and always has great body condition.

**Birth 94 lb Nov 20 - 1110 lbs**

**J Bar B 52U TOMBSTONE ET 1X (38A)** - The nitro coalition cross is working very well in our herd. 34X and 38A were 2nd in class at Agribition in Regina. 34X is a great uddered cow with lots of volume. 1X is sired by Coalition out of the 14N cow. This bull should add milk to your hieffer and length to your calf crop. We all know thats where the extra pounds come from.

**Birth 88 lb Nov - 1070 lbs**

**J Bar B 47X TIER 6 73A** - Another coalition X Nitro. 73A sire is by Nitro out of a very good cow family. 73A mother 12X is out of Coalition and 14N cow. Here is a big, thick, rugged individual with a power packed pedigree.

**Birth 96 lb Nov 20 - 1060 lbs**

This is our first entry at the Medicine Hat Bull Sale. We have been in the cattle business **FOREVER**. Just like all of you. We sell 25 Bulls a year privately off the farm, but we felt it was time to bring out some of our best to a sale. Looking forward to making this a Tradition. We run 250 cows at the base of the Milk River Ridge. Our Purebreds are run like commercial Cows and we only work with the best we can raise. If they aren't practical and perform well they are gone.

Now we have put her Hereford cows into our name and Jody and I are very excited to slowly build up our Hereford numbers with top quality functional cattle that work! We feel these 2 bulls represent our program very well. We also have a powerful set of yearlings for next year!
