Red Watson Shine On 4123B

Sire: Red Watson Pasquale 863U

BW 81 lbs WW 699 lbs.

EPD: BW -2.4 WW+45 YW+60 MILK+15 TM+37

Red Watson Shine On is a bull out of my favorite cow 864U. The cow is perfect from top to bottom and has produced a registered performance animal EVERY year. I would confidently use this bull on cows or heifers. This bulls ½ brother sold for \$7200 last year at the Medicine Hat Bull Sale.

Red Watson Total Request 4127B

Sire: Red Topham Prince 217Z

BW 81 lbs. WW 679 lbs.

EPD BW-0.9 WW+48 YW+79 MILK+16 TM+41

Total Request is a fancy Prince sired Bull. Topham Prince is a long spined sire we purchased to use on our moderate framed females. Prince sired calves excelled on feed and grow exceptionally well both on the cow and post weaning. Although he was born at 81 lbs we recommend Total Request for use on cows to add frame score and performance.

Red Watson Italiano 4131B

Sire: Red Watson Pasquale 863U

BW 79 lbs. WW 684 lbs.

EPD: BW-3.8 WW+38 YW+66 MILK+17 TM+36

This bull garnered a lot of attention this winter at the Medicine Hat Penshow. He is an amazing bull that has capacity. I would use him on cows or heifers. His dam is 15 years old and has produced over 13 prodigy.

BW 87 lbs WW 719 lbs.

EPD BW +2.5 WW+63 YW+91 MILK+19 TM+49

This bull comes from a cow that turns milk into money. Royal has some good numbers to boot, WW +63 YW+91. He will be a performance bull.

Red Watson Tabasco 4144B

Sire: Red Watson Yucatan 178Y

BW 97lb WW 743 lbs.

EPD BW -0.2 WW+59 YW+94 MILK+17 TM+47

Take a look at this handsome bull, he is very close to the look of his sire at this age. A solid and structurally sound cow bull who will cover miles in your pasture.

Red Watson Universal 4149B

Sire: Red Watson Yucatan 178Y

BW 87 lbs. WW 754 lbs

EPD BW+1.5 WW+59 YW+73 MILK+12 TM+35

Universal is a bull that must be seen to truly appreciate. He has the potential to be a sure fire breeder bull! His dam produced our Watson Pasquale 863U herdsire that has been a game changer for us. If length, capacity, and good disposition are key components you look for Universal deserves serious consideration.

Red Watson Carnival 4155B

Sire: Red Watson Yucatan 178Y

BW 87 lbs WW 689 lbs.

EPD BW+0.7 WW+40 YW+57 MILK+11 TM+33

Yucatan sired bull from a proven cow who has raised numerous females that we have retained in our herd. This bull travels and tracks nicely to cover your pastures.

Red Watson Thunder 4166B

Sire: Red Watson Pasquale 863U

BW 75 lbs WW 707 lbs.

EPD BW -3.8 WW+51 YW+68 MILK+17 TM+41

The last bull born in 2014 and, like all of our two year olds, purposefully held over to show and sell at the Medicine Hat Bull Sale. Thunder is one of the last naturally sired Watson Pasquale 863U sired calves to ever sell. Take advantage of this chance to get a piece of one of the greatest sires to ever walk our pasture.

Samtia Angus

Samtia Castaway 8 C

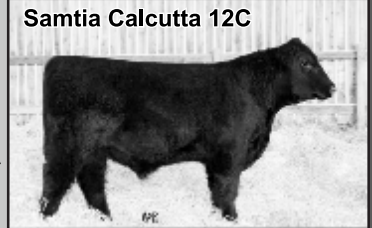

January 8, 2015 Reg. #1868234
 BW 80 BW +2.7 WW +52 YW +85 MILK +19 TM +45
 Sire: Salem 2A
 Grand Sire: KLM Everclear 17W
 Dam: Samtia Bardella 17A
 Grand Dam: Ebon Hill Bardella 266*05

Recommended for use on heifers of any size: This is a heifer bull that is loaded with style, conformation, length of body, quiet disposition and performance. We purchased his sire as a young calf with the hopes that he would make a great bull to use for breeding our heifers...we were not disappointed. His mother was shown successfully by our daughter and we cannot say enough about the Bardella line of females in our herd. If you are looking for a calving ease bull with performance...you can stop looking...as this is your guy!

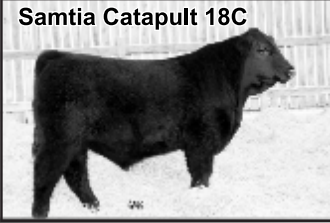

January 16, 2015 Reg. # 1864433
 BW 87 BW +2.6 WW +44 YW +82 MILK +26 TM +48
 Sire: BJ's Anvil 308
 Grand Sire: Southland Thriller 83X
 Dam: Samtia Primrose 2Y
 Grand Dam: Samtia Primrose 10W

Recommended for cows: This bull is out of a sire that goes back to Southland Thriller who was shown very successfully across Canada and the U.S. BJ's Anvil was the high angus seller at the very sale 2 years ago. Samtia Calcutta 12C has tons of length and style. The dam of this bull calf is the same dam which raised our senior herd sire Samtia Anarchy 12A who is undoubtedly the best bull that we have ever raised to date. Samtia Primrose 2Y had a very successful show career winning numerous shows including the Taber and District 4H Supreme female as well as the Supreme female at Swift Current Frontier days. If you are looking for a new herd sire this guy deserves your attention.

 Sire: Samtia Anarchy 12A
 Grand Sire: Samtia Copyright 17X
 Dam: Samtia Blackbird 8Y
 Grand Dam: DBRL 03M Blackbird 19U

Recommended for cows: This is a bull that is out of our new herd sire Samtia Anarchy 12A which we are extremely proud of raising. Samtia Casanova 18C is a power bull and is chalked full of performance. He has great conformation and thick bones which is important in a power bull. The grand dam of this bull was our pick out of a dispersal a few years back and she has become a very important cornerstone in our cattle herd. If you are looking for a bull that will add pounds to your steers and femininity to your replacement heifers than this is the guy that will do both.

 Sire: Samtia Black Jack 8Z
 Grand Sire: Harb Pendleton 765 J H
 Dam: Fleming 104 Erica-Barbara
 Grand Dam: Fleming 426 Essence of Hero

Recommended for heifers of any size: This is the ultimate in a heifer bull with length of body, depth, solid disposition and extremely fancy. The pedigree on this bull includes Harb Pendleton which was known for both his calving ease and his performance. The dam of this bull was purchased from Fleming Stock Farms at the Taber Chinook sale a few years back and has been a solid performer each and every year with every calf being a bull and every calf making the bull show pen. If you are looking for performance along with ease of calving he is the bull! This bull may be the fanciest bull we have in the entire show pen!

XTC 54Z BROCK 13B {DLF IEF HYF}

Brock 13B has been a standout bull all the way along. Top individual performance at weaning and yearling, and a Ribeye EPD that puts him in the top 10% of the breed. This bull is thick, deep and well muscled. A great balanced prospect that combines performance, maternal, and carcass quality. Have a good look at this one!

XTC 797Y POWERHOUSE {DLF IEF HYF}

131B is a well marked, standout son of our 79Y Nixdorff herd sire. 113R is a foundation cow here with multiple top daughters in the herd. Powerhouse 131B is extremely stylish and you will admire his thickness, depth and great structure. He brings a moderate birth weight along with strong performance into a deep and easy doing package.

XTC 56Y REDCLIFF LAD 150B {DLF IEF HYF}

Here is an April 22 born bull that we cannot say enough good things about. He is long and smooth with a tremendous yellow hair coat on him. This is a good footed bull and really gets out and moves well. He has great individual performance and a pedigree full of useful Canadian sires. The 56Y's were a standout sire group, and extremely popular with the cowboys this fall.

XTC 56Y REDCLIFF LAD 154B {DLF IEF HYF}

154B is an extremely long bodied bull. He has curly yellow hair and has lineage of great cows in his pedigree. His grand dam 113R is the mother of our 131 bull. She produces every year.

XTC STOUT 161B {DLF IEF HYF}

Stout 161B is our first son to sell out of our Guinness bull owned with Lilybrook Herefords. Just an April 28th born calf, he is growthy and will be sure to add pounds to whatever type of cows you throw him on. Dark cherry red in colour this guy has a lot of style.

XTC 79Y ROSEVELT 258B

258B has an abundance of depth and power. Roosevelt is a fall born calf that has been all bull from the get go. He is short marked, thick and very good haired. 283U is a top cow here at XTC Ranches. She has produced the top of the pack every year. Bulls have sold to Corbett Faulkner, Danny Dubeau and Bill Strand. Don't pass over this real good young bull.
