PRIVATE SALES NOT PERMITTED Every animal consigned to the sale must be sold by auction. No private sales will be allowed.

DISPUTES If any dispute arises between any two bidders, it shall be settled by the animals being put up and resold. The decision of the auctioneer shall be final in all such cases.

OWNERSHIP Immediately after each purchase is declared, THE RISK OF THE ANIMAL SHALL BE EXCLUSIVELY WITH THE PURCHASER, and it is declared that until settlement shall be made, the delivery of the animal shall be suspended. In some instances arrangements may be made between the buyer and seller; where the seller will agree to maintain the bull in preparation for delivery in such a case neither the seller nor the Association agree to undertake any liability in respect to these animals. It is strongly recommended that insurance be purchased on the animal by the purchaser. The sole risk shall remain with the purchaser.

SETTLEMENT Should any purchaser fail to settle for his purchase, the Association reserves the full power to re-sell the animal, in cooperation with the seller to the best advantage, either publicly or privately, with out further information, and any loss arising from such resale, together with all other expenses, will be collected from the defaulter.

BREEDING GUARANTEED AT THE DISCRETION OF SELLER It is believed that in selling cattle under breeding age the purchaser is more responsible for their future usefulness than the seller and that he should be willing to relieve the breeder of all responsibility after they pass into his ownership, but every possible precaution will be taken to eliminate animals with any known defects. The entire offering will be sold at the halter and no further guarantee of any kind will be given them unless individual consignors wish to do so for their particular cattle by so stating when their animals are in the ring. All bulls consigned to sale are semen tested.

If a member enters an animal for sale for breeding purposes, that they has reason to believe is a nonbreeder; they shall be expelled from the Association.

RULE: The Committee of the Southeastern Alberta Purebred Beef Breeders' governing this sale, or an agent or inspector appointed by them, shall have the right to cause any or all bulls entered for sale to be inspected upon arrival at the Sale Grounds, and remove any such bulls as the Committee or the inspector shall consider as having a physical defect, or is of inferior quality; or, as not being representative of the breed, or any like cause immediately from the Sale Grounds.

The entry fee paid by the entrant to the Southeastern Alberta Purebred Beef Breeders' Association with respect to any such animal removed or rejected as aforesaid, shall belong to and remain the sole property of the Southeastern Alberta Purebred Beef Breeders' Association, the entrant hereby appoints and constitutes the Committee of the Southeastern Alberta Purebred Beef Breeders his agent for purposes aforesaid, with the full power and authority to sub delegate the authority and power.

TRANSPORTATION SAPBBA Contributors will pay up to \$40 per bull towards trucking costs for purchasers buying 5 or more bulls. Please advise office before sale if you will need this service!
